Enhanced T100

A product that gives you more options and greater coverage

Enhanced T100 is a Permanent Life Insurance product you can purchase up to age 80 on an individual basis and from age 18 to age 70 on a joint basis. Benefit from permanent protection that varies from \$10,000 to \$2,000,000 with premium rates that are payable and guaranteed for life.

Enhanced T100 covers you for life and includes a number of attractive features.

After 10 years, you get reduced paid-up coverage with no further premium payments

In the event that you wish to stop paying your premiums for any reason, you may do so once your contract has been in force for 10 years and obtain **reduced paid-up insurance coverage with no further premium payment required**.¹ The insured amount² will then be equivalent to the total of the premiums you have paid,³ up to a maximum of 75% of the insured amount in force at the time. This amount will be paid to your beneficiaries upon your death.

This way, you enjoy reduced insurance coverage without having to continue paying your premiums.

EXAMPLE FOR A 45-YEAR-OLD, WITH AN INSURED AMOUNT OF \$50,000 AND A PREMIUM OF \$550¹

Surrender your insurance policy as of your 75th birthday

Once you reach age 75,⁴ you can cancel your insurance contract and receive a **surrender value**. This amount corresponds to 50 % of the premiums you have paid³ without exceeding 50 % of the insured amount in force at the time. That puts money back in your hands — money you can use to make a dream project come true such as travel, help out your children financially, fund your grandchildren's education, protect your quality of life in the event of illness, etc.

1. Some conditions, restrictions and exclusions apply.
2. Additional benefits and riders must be cancelled. The paid-up insurance contract has no surrender value.
3. Excluding annual policy fees, premiums for additional benefits, riders and any extra premiums, where applicable.
4. The contract must be in force for a minimum of 10 years.

- It **guarantees your premium amount** for the life of your contract, so you have no unpleasant surprises
