

## La Capitale's savings and investment products

	Description	 What makes it unique?	Why is it important for my portfolio?
<b>Evolution GIC</b>	The only product of its kind on the market. This investment is automatically extended for one year at each anniversary, and its rate adjusts based on market conditions. The automatic extension of the investment repeats itself from year to year, unless you inform La Capitale that you do not wish to extend it. You have a 21-day period in which to cancel the extension. Offered as a traditional or <i>MAX GIC</i> .	<ul style="list-style-type: none"> <li>Flexible GIC that's extended for one year at each anniversary, at a rate that adjusts based on market conditions</li> <li>Loyalty bonus that's applied to the years of extension after the initial term</li> <li>No longer any need to worry about the impact of future interest rate fluctuations</li> <li>Redeemable and non-redeemable 3- and 5-year GIC</li> <li>For the non-redeemable version of the GIC, if the investment was extended automatically, the investment becomes redeemable during the extension period.</li> </ul>	<ul style="list-style-type: none"> <li>Ideal for clients who are more cautious and those who are approaching the disbursement period.</li> <li>Provides security and peace of mind</li> <li>Competitive rate after the initial term; if extended, the client is rewarded with a loyalty bonus</li> <li>Reduced risk of fluctuation in interest rates</li> <li>Capital and returns guaranteed at maturity and on death</li> <li>For disbursement contracts (RRIF/LIF), the client can, easily and penalty-free, withdraw 10% of the accumulated value of the investment as at December 31 of the previous year <b>OR</b> the RRIF minimum provided by law, if higher.<sup>1</sup></li> </ul>
