\*The insurer sets its own unit price. The unit price of the Investment Accounts is tied to the performance of the underlying fund or the market index (including dividends net of withholding tax, if applicable, less management fees), as the case may be.

\*\*Management fees charged to the account or management expense ratio of the underlying fund as applicable

\*\*\*YTD (Year to date): compound return from January 1st of the current year to this date, July 31.
