Administration fees

Administrative fees for the HBP-RRSP Loan come to \$285, regardless of the loan amount, and the cheque must be payable to La Capitale Civil Service Insurer.

Sending documents

All documents indicated must be sent to:

La Capitale
Savings and Financial Services Department
625 Jacques-Parizeau St
Quebec QC G1R 2G5

The Savings and Financial Services Administration Department will open a file and follow the procedure below:

1. Upon receiving complete documents that are in order, the Savings and Financial Services Department will process the loan and invest the funds.
2. A savings annuity contract and investment certificate will be sent to the client. In addition, the broker can see the client's portfolio in the Advisor Centre.
3. The tax slip is issued within the first 60 days of the year. A T4RSP slip confirming the RRSP withdrawal will be issued. There are no tax deductions since the withdrawal was made for the HBP. The client will receive a tax slip showing an amount that includes the capital plus interest paid.

Clients wishing to cancel their application once the loan has already been reimbursed must contact the government to obtain information on tax treatment.

The administrative fees in the amount of \$285 are not reimbursed if the loan is cancelled.

Maximum amount

The maximum amount that can be withdrawn from an RRSP under the HBP is \$25,000. However, for administrative reasons, La Capitale has set the limit of the HBP-RRSP loan at \$24,500. For example, for a loan of \$24,500, interest in the amount of \$241.64 is added. Your tax slip will show an amount of \$24,741.64. If you are withdrawing funds from several institutions, you should take this calculation into account.

HBP reimbursement

The same tax rules apply to the HBP reimbursement, even if the amounts were borrowed.
