Assuris is a not-for-profit organization that protects Canadian policyholders if their life insurance company should fail.

Its role is to protect policyholders by minimizing the loss of benefits and ensuring a quick transfer of their policies to a solvent company, where their protected benefits will continue.

Every life insurance company authorized to sell insurance policies in Canada is required, by the federal, provincial and territorial regulators, to become a member of Assuris.

Consumers can obtain information on the protection offered by Assuris by going to the organization’s website, www.assuris.ca, or by calling the Assuris Information Centre at 1 866 878-1225.
