1. Redeemable investment subject to the applicable fees and penalties

4. IMPORTANT:

Amounts invested in La Capitale investment accounts are not guaranteed, except in the event of the death of the contractholder. Any investment in these accounts is made with the Insurer and does not confer any entitlement to the reference fund securities. Amounts invested in these accounts are invested in the Insurer's general funds. The Insurer subdivides the amounts invested into units. These units, which are not securities, are issued solely for the purpose of making it easier to track future fluctuations in the value of your investment. The Insurer establishes the initial value of the units granted to you at the time of your investment. Any returns generated by these accounts are tied to the performance of a market index or reference fund, less any applicable management fees. Market index or reference fund performance fluctuates depending on the market value of the securities that make up the fund. Depending on the market index or reference fund performance, the account balances may, therefore, increase or decrease on a daily basis and may even fall below the amounts invested, if the rate of return, after deduction of management fees, is negative. If the market index or reference fund becomes unavailable or the Insurer ceases to use it as a market index or reference fund, for any reason whatsoever, the latter reserves the right to replace it with another market index or reference fund it deems similar or to determine the applicable rate of return.

Transaction date: Except under certain circumstances, the transaction date for a purchase or redemption will be the business day on which the form is received at the Insurer's office or processed by the FundSERV operating system, provided that it is received **before 4:00 p.m.** EST and it is completed in full, duly signed and submitted with any required amounts. Any form that is received **after 4:00 p.m.** EST will be considered to have been received on the following business day. The Insurer reserves the right to change the transaction date without notice.

Redemption and transfer fees: This investment may be redeemed or transferred at any time, subject to transfer fees and redemption fees, as applicable.
